Change of Shipping Location and Address Accuracy

Confirmation of shipping address must be received prior to release of the shipment; changes after the shipment has left our warehouse can add up to \$350 in additional carrier fees. Please ensure the shipping address is accurate and include street address, suite number, zip code, and contact phone. FedEx charges an additional \$8.00 per box for address corrections.

Residential Shipping

Bliss Studio is unable to ship to residential addresses. In such cases, buyer must organize their own carrier and will be responsible for any claims caused by third party carriers. Additional packaging fees may apply with palletized shipments.

Lift Gate

Please notify Bliss Studio if you do not have a loading dock. Should a lift gate be required, carriers charge an additional \$55 to the shipment total. Failure to notify of lift-gate requirements will delay delivery and may result in additional re-delivery fees.

Rush Fee

Bliss Studio fulfills orders based on order date, merchandise availability, and payment confirmation for orders when they become available to ship. Three-day rush shipping is available and will incur an additional charge pending shipment location.

Expedited and Guaranteed Shipping

Standard carrier transit times are 3-5 business days. Outside of our standard carrier options and charges as outlined above we can obtain an additional quote for both FedEx expedited shipping and "guaranteed freight shipping."

RECEIVING GUIDELINES AND BEST PRACTICES FOR DAMAGE CLAIMS

Bliss Studio makes every effort to pack only first quality merchandise with carrier approved materials.

Even with our best efforts from time to time damages arise from rough transit.

Please follow our best practices in receiving shipments to ensure we can manage a quick solution should an issue arise. See below,

When your shipment arrives:

1. **Inspect** and confirm total number of boxes due are included in delivery. Open and inspect contents.
2. **Refuse** all damaged boxes and “return to shipper.”
3. **Note** details on receipt & proof of delivery.
4. **Sign** “Subject to Inspection” should driver not wait for proper inspection. Note all damages to cartons, pallets, and packing materials on “Proof of Delivery.”
5. **Submit** damage claims with photos within 24 hours of receipt to support@blissstudio.com.
6. **Save** all original packing materials

PLEASE NOTE: Signing for a damaged shipment releases the carrier of all damage liability.
